1. PRODUCT INFORMATION

Product Name:	*Kanguru Clone 5HD Tower Hard Drive Duplicator*
Part Number:	*KCLONE-5HD-TWR*
Individual Shipping Weight:	*9.94 KG*
Individual Retail Box Shipping Dimensions:	*48cm x 27cm x 37.5cm*
Warranty (Parts):	*1 year*

2. DESCRIPTION

The new, high performance Kanguru Clone 5HD Tower Hard Drive Duplicator is a high speed, stand-alone SATA hard drive duplicator that can copy up to 5 hard drives simultaneously. With ultra-fast copy speeds of up to 6GB/min, the Kanguru Clone is one of the fastest cloning systems available.

A feature rich LCD and tool free rack design makes the duplication process a breeze! Just insert your master hard drive and up to 5 target hard drives, and you will be duplicating within minutes. The duplicator has many advanced features for the IT professional, yet the controls are simple enough that even a novice can begin cloning hard drives within minutes of taking it out of the box.

With multiple copy modes including Brief, Disk, Resize and DOD disk wiping capabilities, the Kanguru Clone 5HD Tower Duplicator is great for IT work, backing up hard drives, data wiping, large PC deployments, drive testing and more! You can even copy a small capacity drive to a larger capacity drive with all original content intact!

3. SHORT DESCRIPTION
